(54) Title: ODOUR ABSORBING CLOTHES COVER

(57) **Abstract:** The invention provides an odour-absorbing clothes cover (2) comprising an odour-absorbing sheet material (4), the sheet material defining an enclosure, arranged, in use, to receive an item of clothing (22), the enclosure comprising an opening formed in the front surface of the enclosure. The invention also extends to a method of removing or mitigating odours from an item of clothing.
